Data Entry Window

Move from one field to the next by pressing space bar, tab, or simply type the exchange and the software will tab automatically! Try it!

Call	Class	Section	
K			<input type="button" value="Clear"/>
Possible Duplicates <input type="button" value="On"/>			
K5ERT KE4NVB KW3IER K3IOR K4AOC			

As you enter a call, a list of possible duplicates will be displayed below

If you determine that the call you are entering is a duplicate, click on clear or press Esc to erase all fields

The screenshot shows a form with three input fields labeled 'Call', 'Class', and 'Section'. The 'Call' field contains the letter 'K'. To the right of these fields is a 'Clear' button, which is highlighted with a red rectangular box. A red arrow points from the text above to this button. Below the input fields is a large cyan-colored area. At the bottom of the form, there is a dark blue bar with the text 'Possible Duplicates' and a toggle switch set to 'On'. Below this bar, the text 'K5ERT KE4NVB KW3IER K3IOR K4AOC' is displayed on a cyan background.

Call	Class	Section
K		

Possible Duplicates On

K5ERT KE4NVB KW3IER K3IOR K4AOC

When you have a valid Call Sign entered, press the space bar, tab key or simply start typing the class to move to the Class entry field.

The image shows a software interface with three input fields: **Call**, **Class**, and **Section**. The **Call** field contains the text "K4RFW". A red arrow labeled "TAB" originates from the end of the **Call** field and points to the **Class** field, indicating the tab key action. A tooltip above the **Class** field reads "Click record to edit or delete." To the right of the **Section** field is a **Clear** button. Below the input fields is a large cyan area. At the bottom of the interface is a dark blue bar labeled **Possible Duplicates** with a toggle switch set to **On**.

Enter the Class then press the space bar, tab key or just start typing the section to move to the Section entry field. The software will tab automatically!

The screenshot shows a software interface with three input fields: "Call", "Class", and "Section". The "Call" field contains "K4RFW", the "Class" field contains "1D", and the "Section" field is empty. A red arrow labeled "TAB" originates from the bottom of the "Class" field and points to the top of the "Section" field, illustrating the tabbing behavior. To the right of the "Section" field is a "Clear" button. Below the input fields is a large cyan rectangular area. At the bottom of the interface is a dark blue bar with the text "Possible Duplicates" and an "On" button to its right.

If you enter an invalid Section designator an Error window will appear – Click on Yes to correct the entry

The screenshot shows a software interface with three input fields: 'Call' containing 'K4RFW', 'Class' containing '1D', and 'Section' containing 'GF'. A red arrow points to the 'Section' field. Below these fields is a large cyan banner with the text 'Invalid Section'. At the bottom, there is a blue bar with the text 'Possible Duplicates' and a toggle switch set to 'On'. To the right, there is a table with state abbreviations and counts.

ME	WVMA
NH	4
2	AL SFL
	GA WCF

An error dialog box titled 'Invalid section!' is overlaid on the interface. The dialog contains the text: 'GF is not a valid section. Do you want to edit the section?'. At the bottom of the dialog are two buttons: 'Yes' and 'No'. The 'Yes' button is highlighted with a dotted border.

When you have a valid entry, press the *Enter* key to save

Call	Class	Section	Clear
K4RFW	1D	GA	
Possible Duplicates			On

Your entry will appear at the top of the Recent Contacts list – The *Date*, *Time*, *Band*, *Mode* and *Operator Initials* will be automatically filled-in

The screenshot shows a software window titled "Recent Contacts" with a menu bar (File, Options, Setup, Band, Mode, Graph, Map, Operator, Help) and buttons for "Find" and "Last 20". Below the header is a table with columns: Rec#, Call, Class, Sec, Date, Time, Bnd, Mode, Opr, and an empty column. The first row is highlighted in yellow and has a tooltip that says "Click record to edit". A red arrow points from the text above to the top of the table, and a red box surrounds the table area.
